Dear Parents and Carers

19th September 2018

Re: Extra-Curricular Clubs

As a school we remain committed to offering pupils in Y1 – Y6 at least one extra-curricular club that they may wish to take part in. There are two main types of clubs on offer: Trust/School Led Clubs and External Clubs.

Trust/School Led Clubs

These clubs are open to all pupils (Y1-6) at no cost to parents and will continue to include sporting and non-sporting activities e.g. Netball, Gardening. We use an online booking system to request places in a Trust/School Led Club and all the details can be found below. Please note that your child may only take part in one Trust/School Led Club. If all the spaces are full and you choose for your child to be added to the waiting list, this does not mean that they will automatically be allocated a place at a later date. If a place becomes available, the School Office will contact you directly. The size of clubs will vary so maximum numbers are indicated below.

Y5/6 Study Groups

Details will be sent home with selected children throughout the year, providing information on study groups across UKS2. This does not involve all children at the same time and therefore there will still be an opportunity for your child to sign up for a trust/school led club during the course of the year, should they choose to.

External Clubs

These clubs are open to all pupils (Y1-6) at a cost to parents, with payments made directly to the provider e.g. WFA, Spanish Club. External Club places should be requested using a hard copy Booking Form and Permission Slip or which can be found in the school entrance and will also be sent out via email to the relevant year groups. Some clubs will also provide on line booking information e.g. Rattle & Roll Dance Club. It is essential that all external club providers have written consent for your child to attend, including emergency contact details, confirmation of collection arrangements if the club takes place after school and information about any medical needs.

Please be aware that on occasion it may be necessary for staff to cancel or to rearrange a club due to illness or training. In these circumstances, as much advance warning as possible will be given. We will offer an alternative activity in school if sports clubs cannot take place outside due to inclement weather. If your child is, for any reason and on any occasion, unable to attend a club for which they have registered, the School Office must be informed before 3.15pm on the day of the club. Unfortunately, in the past, a number of clubs have suffered disruption because staff have had to spend time ascertaining the whereabouts of absent pupils and this inevitably detracts from the quality of the club.

On Line Booking System for Trust/School Led Clubs

Details of all the clubs on offer can be found on the following page. For Trust/School Led Clubs please visit <https://Gorseybank.parentseveningsystem.co.uk> to book a place for your child. Please login using the following information: Parent's First Name / Parent's Surname / Parents Primary email address / Pupil's First Name / Pupil's Surname / Pupil's Date of Birth. **The booking system for clubs in the Autumn term will be open from 7pm on Thursday 20th September to 7pm on Sunday 23rd September.** If you do not have access to the internet, please contact the School Office once the booking system has opened, so that we can book a place for your child/children. Please be aware that by booking a place online you are automatically giving permission for your child to attend a particular club.
