

Dear Parents/Carers,

You will now be aware the UK Government has announced that schools will close to all students (with the exception of children of key workers, the most vulnerable and those with Education, Health and Care Plans) after close of school on Friday 20th March 2020, and will not re-open until further notice.

Schools have, as yet, not received any detailed guidance about this from the Department of Education and this is unlikely to be received in school until this afternoon. We are currently all digesting this information, as we are sure you are too. As soon as we have any further guidance we will communicate it to you immediately.

We understand that many of our families and children will be feeling very anxious about the situation we are facing. Please be assured that we will work together to provide you with advice and assistance wherever possible.

We really appreciate your patience and understanding while we find out further information.

Kind regards,

Joe Maguire

Head of School
