

## Collaboration

As collaborators we will play, find out and explore together. We will ask for help when we need it. We will share our own ideas and talk to children and adults about them. We will listen to and think about other peoples ideas.

# Reception / Autumn / You Choose

## Possibilities

As risk-takers we will be willing to 'have a go', have our own ideas and make links. We will choose ways to do things and talk about why things do or don't work.

## Respect

As emotionally intelligent young people we will keep trying, enjoying and achieving what we set out to do. We will get involved and concentrate on our learning. We will start conversations and listen to what others say. We will be considerate to others.

## Technology

As technologists we will use iPad, IWB, computers and our class BLOG to help us with our learning. We will choose and use technology for particular purposes. We will think and talk about the reasons why things happen or how things work.

Who would you like for family and friends?

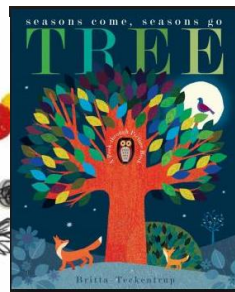

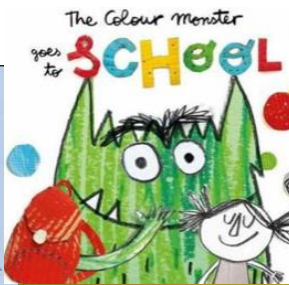

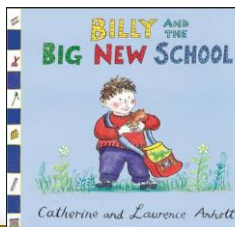

What kind of home would you choose?

Why not get yourself a pet...or one or two or three or more?

If you could go anywhere where would you go?

How are you the same and how are you different?

Is there a job you would like to do?

MR. STRONG

MR. HAPPY
