

Year 6 / Summer/ Courage

Collaboration

We will support each other through everything that our final term at Gorseley Bank will bring. We will accept the responsibility of working together to be remembered for our contributions.

Possibilities

We will take inspiration from our bookshelf texts and will show courage in expressing our beliefs and opinions. We will also be positive about our future, while also reflecting on all that we have achieved at Gorseley Bank.

"Courage is not the absence of fear. Courage means you move forward in the face of fear."
SHARNA SCHUTTE

Respect

We will explore different beliefs within and between different individuals and/or groups and discuss why people feel passionately about them, and how we should value diverse opinions even if they are different from our own.

Technology

Increasing our independence within learning, we will investigate how technology has changed and how it allows us to express ourselves safely. We will learn how we can use technology in different ways to support our learning
