

Year 6 / Autumn / Heroism

Collaboration

We will work together to embrace the challenges that our new year group presents and learn how to work together as a wider year group, as well as acting as role models to others in school.

Possibilities

We will take inspiration from our bookshelf texts and will show courage in expressing our beliefs and opinions. We will also consider how we can embrace opportunities and make our own mark.

Respect

We will explore beliefs within and between different individuals and/or groups and discuss why people feel passionately, and how we should value diverse opinions even if they are different from our own.

Technology

We will investigate how technology has changed and how it allows us to express ourselves safely. We will learn how we can use technology in different ways to support our learning.
