THE GORSEY BANK MISSION STATEMENT

To nurture lifelong learners who are confident and ready to embrace the challenges and opportunities of the outside world.

SHOW RACISM THE RED CARD

Today, our whole school came together to support *Show Racism the Red Card*. We spent time learning about what it means to be an ally—someone who stands up for others and speaks out against racism and discrimination.

Our KS1 children got creative by designing their very own Ally Superhero posters, showing how they can help their friends and make a difference. Meanwhile, KS2 pupils wrote Ally Pledges, promising to support others and take a stand against racism.

Please talk to your children about what they have learned today. The more we talk about this, the more changes can be made!

CAR PARK UPDATE

Over the past few months, we've experienced a few issues in the school car park, including damage to staff vehicles and cars being parked in the middle of the car park. This has sometimes made it difficult for staff to park and, more importantly, has meant that children have had to walk between cars to reach the school entrance - something we want to avoid for everyone's safety.

To help reduce congestion and improve safety, we kindly ask that parents do not park in the school car park after 8:15am if they are dropping off for Kids Club. This will help limit traffic flow and ensure a safer environment for our children.

If you hold a blue badge or have a written agreement with the school, you may continue to use the car park as usual.

Thank you for your understanding and continued support in keeping our school community safe.

SEPT 2026 RECEPTION APPLICATIONS

We may still be welcoming our new Reception pupils into the Gorsey family for this year but applications are already open for our 2026 cohort!

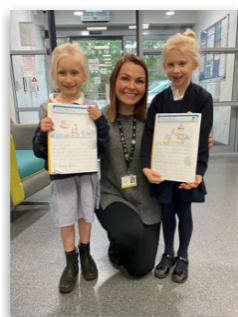

If you or anyone you know has a child who will be of Reception age next academic year they can apply for a place with us through the [Cheshire East admissions website which can be accessed here](#).

For anyone new to the school community, we run weekly school tours which take place on a Monday at 9.30 led by a member of the Senior Leadership Team and we also have our first Open Morning of the year taking place on Friday 3rd October. Both of these can be booked via our website or by calling the school office on **01625 468040**.

LOST IN THE WORLD OF ONLINE SAFETY?

Lots of children enjoy using the internet and chatting with friends on apps like WhatsApp, iMessage or other online platforms. While this can be fun, it's really important to remember to stay safe.

Once a photo or message is sent online, it can be shared in ways we didn't expect — even with people we don't know. That's why we should always think carefully before posting or sending anything.

To help you and your family learn more about staying safe online, [here's](#) a helpful website full of tips and advice.

Let's all work together to keep our children safe and happy online!
