Y6 SUPERSTARS!

This week, our amazing Year 6 children completed their Key Stage Two Assessments—and we couldn't be prouder of them! They showed such courage, determination, and resilience throughout, and truly gave it their all.

It's important to remember that while these tests are part of the journey, they don't tell the whole story of who our children are. The people marking the papers don't know about the sports teams they play for, the musical instruments they've learned, or how beautifully they dance or how great they are at karate. They don't see the kindness they show every day and how simply being them brightens up a room, the way they care for friends and family, or the charity work some do in their spare time.

These tests measure some things—but not *everything*. They don't capture the whole, wonderful person each child is.

So to all of our Year 6 children: Be proud of what you've done, and be even prouder of who you are. You've achieved something special, and we are so incredibly proud of each and every one of you!

KIDS CLUB BOOKINGS FOR SEPTEMBER

As promised a letter is being sent out today (to new Reception families and current Reception to Y5) with information on how to request places in Kids Club for the next academic year. Please read the letter carefully. The link to the booking form will only go 'live' from 7pm on Wednesday 21st May - additional reminder will be sent out on Wednesday. In the interest of giving as many families as possible access to Kids Club, we kindly ask that you request a maximum of 3 breakfast club places and a maximum of 3 after school places.

If you would like more than the above, there will be an option to indicate this on the form, however these requests will not be considered until all families have been allocated at least some of the sessions they have asked for.

Please complete the booking form by 7pm on Tuesday 3rd June 2025.

Our extra-curricular club offer will be made available before the Kids Club booking form goes 'live' to help families plan for their childcare needs.

FATHER'S AND OTHER'S DAY STALL

All sales for gifts from the Father's & Other's Day Stall, will be delivered in school on Tuesday 10th & Wednesday 11th June, and they will be available to purchase through the PTA website to ensure there are enough gifts available for children to choose as many as have been pre-purchased.

Please note the booking system will not open until Tuesday 20th May. The flyer will be sent out via MCAS and details of the link will be available on there.

The booking process will automatically send you a confirmation of your purchase, please note children will NOT be required to bring this with them.

We welcome any feedback with the process but as always please be kind and patient as we are still finding our feet with it.

SPORTS DAY PARENTS RACE!

After receiving some great feedback from parents, we're making a fun change to our traditional parents' race this year — we'll be holding a **Parents' Relay Race** instead!

Each year group will be invited to put together a relay team. If we have lots of enthusiastic runners, we'll hold two races. If fewer parents take part, we'll run a relay for KS1, LKS2, and UKS2 instead.

It's all about having fun and getting involved — we can't wait to cheer you on!

DISABLED SPACE

We kindly ask all families to please keep the two disabled parking spaces in our school car park free. These spots are very important for families who need easier access, and we want to make sure they are always available for those who rely on them. Thank you for your understanding and support!
