CHECK OUT OUR NEW LIBRARY DESIGN!

Over the years, the PTA has funded many projects across school and as we mentioned in March we are delighted that current funds will now go towards our library refurbishment. After a number of consultations with various contractors, this project will now be completed over the summer holidays and we are delighted to share some visuals with you. In addition to the library we are also hoping to complete some further works to Forest School and source new bike sheds ready for all the children to enjoy from September.

PTA NEWS

The PTA hold some fantastic events throughout the year, with discos, wreath making, golf days and Christmas markets to name but a few. We are hugely grateful for the hard work that goes in to making these events possible and for all those who attend and support the fund raising.

We are really looking forward to seeing you all at one of the final events of the year; the Summer Social that will be taking place on Friday 13th June from 3.15 – 5.30pm. Everyone welcome!

KIDS CLUB SPACES FOR SEPTEMBER

The team are now working on the administration of the sessions and these will be communicated to all families on Monday 9th June.

Your Kids Club places will be ready to view via your MCAS app at some point during the course of the day on Monday. Please do not worry if you hear that other parents can already view their sessions earlier in the day. The process will be completed for everyone by 5pm.

A letter has been sent out via MCAS giving further details around allocations.

PLANT SALE

After school on **Wednesday 11th June**, some of our Treasury members will be selling plants in the playground. A child in Year 4 and her mum have been busy growing beautiful flowers from tiny seeds to help raise money for our school charity, CAFT.

There will be lots of colourful flowers to choose from – including lupins, sunflowers, primroses and more! Come along and pick up a plant to brighten your home and support a great cause.

Article 8
