

KS2 SMSC Assembly Timetable 2021-22

Developing character and morals	Character is a set of personal traits or dispositions that produce emotions, inform motivation and guide how we behave. Character education includes all educational activities that help young people develop positive personal strengths called virtues. Children are encouraged to decide wisely the kind of person they wish to become and to learn to make positive choices about their behaviour.
Religious Education	Re assemblies help children discover their place in the world and provide an opportunity for them to reflect upon different religions and what their shared values are. The assemblies highlight and nurture the spiritual dimension through experiencing worship and provide an opportunity to celebrate all religious festivals.
Pupil Parliament	Children will present at several assemblies over the year, focusing on their department, either sharing successes or outcomes of meetings.
Rights of the child UNICEF	Together young people and the school community learn about children's rights, putting them into practice every day. The Award is not just about what children do but also, importantly, what adults do. In Rights Respecting Schools children's rights are promoted and realised, adults and children work towards this goal together.
Reflection	At the end of the assembly, please share the link below and ask the children to reflect on the themes explored, before returning to their classroom. https://www.youtube.com/watch?v=sn1TCy2ChNE&app=desktop

Suggested assembly structure:

1. P4C question for children to think about whilst they enter
2. Main content
3. Link to Children's rights
4. Self-reflections linking to main content

Please remember to save any resources you use during your assembly to the correct folder (Staffshared > Assemblies > KS2 Assemblies)

If it is your week to deliver the assembly, please provide the KS2 team with a PPT and sequence before Thursday.
