

Welcome to Gorsey Bank!

MEET THE RECEPTION TEAM

Mrs Ellender

Miss Stewart

Ms Harwood

Mrs Niven

We are looking forward to your visit and thought that we would send you this newsletter so that you know all about Gorsey Bank before you come.

Here are some of the people you will meet, the places you will see and the exciting things that you will do.

What does Gorsey Bank look like?

Outdoor learning

We enjoy working in the sand and water. We call this the 'Blue Side'.

Forest School

At Forest School we have adventures in the woods.

Outdoor learning

We like to learn and play outdoors. We call this the 'Green Side.'

Making friends

At Gorsey Bank we like making friends and learning and playing together.

Creative Development

We like dressing up, dancing, singing, drawing and painting.

Understanding the World

We love finding out about the world around us.

At school there are different places that you go to at different times of the day.

We have two Reception classes and you will have your own classroom. Sometimes you will work with an adult and sometimes you will do independent learning. We call that being a 'busy learner' and you can choose where you work. It can be in your classroom, in the art area which is joined onto the classroom, or it can be outside.

We also spend time in the playground at playtime and we take turns to go on the adventure playground. At lunch time we eat in the hall with our friends.

We have indoor P.E. Lessons in the hall too. We have outdoor P.E. on the field, playground or on our Astro.

It is so much fun at Gorsey Bank and we are looking forward to showing you all these places and getting to know you.

This is what our classrooms look like. We have two classrooms in Reception.

Sometimes we work in groups at the tables and sometimes we sit together on the carpet.

Here are some other places in school that you will see when you visit us
