Year 4 / Autumn / Belonging

Collaboration
We will support each other in our own ideas and work together to improve them. We will look at how the people of Great Britain work together to live peacefully.

Possibilities
We will challenge ourselves and our own thinking by asking questions and trying new things. We will be inspired by historical British figures that have impacted our lives today.

Respect
We will learn about the similarities and differences we share, both individually and within the communities in Britain we live in and how to accept and respect these.

Technology
We will develop ways in which we can use technology to further our learning and be more inventive in the ways we choose to present our work.
