

Year 5 / Spring / Creativity

Collaboration

We will work together to support, listen and value others, to encourage and support creativity.

Possibilities

We will explore how when you are creative you have the possibility to achieve wondrous things.

Respect

We will be respectful of the attitudes and values of others who express their creativity in a different way to us.

Technology

We will use technology to enhance our learning and explore modern ways of being creative.

Article 2

The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, or any other status.

Article 13

Children have the right to find out information and to share ideas, unless it may harm themselves or anyone else.

 UNITED KINGDOM

RIGHTS
RESPECTING
SCHOOLS

Article 28

Education must develop every child's personality, talents and abilities to the full.

Article 32

Governments must protect children from work that is dangerous, harmful to their health, or that interferes with their education.
