

Year 4 / Summer / Hope

Collaboration

We will consider how together, we can make positive changes and support one another in facing different changes. We will work together to develop resilience and hope, which will see us through to UKS2.

Possibilities

We will explore how hope can impact our lives, whether this is hope we are aware of or not. We will explore the words of Martin Luther - "Everything that is done in the world is done by hope"

Respect

We will consider how hope can be respected, and how hope can impact different people in different ways. This understanding will help us to appreciate others.

Technology

Using technology, we will explore how to protect our online identity and learn how to stay safe online. We will also consider the change brought about through the development of technology.
