

Year 5 / Summer / Identity

Collaboration

With others, we will think about what unites us about our identities within our classes and across the school. Working in partnership will help us to be more productive!

Possibilities

We will explore what is possible to be achieved when we identify goals based on consideration of people as unique individuals, with their own passions and ideas.

Respect

We will be learning how to appreciate others for their differences and their background which creates the identities we should recognise for celebration.

Technology

Using technology, we will explore how to protect our online identity and learn how to understand and use online communities suitably, with sensitivity.

Article 3

All adults should do what is best for you. When adults make decisions, they should think how decisions will affect their children.

Article 38

I have the right to be protected during a war and not allowed to fight or become involved.

Article 17

You have the right to get information that is important to your wellbeing.

Article 22

You have the right to special protection and help if you are a refugee.
